Homecoming '85

Homecoming events began on Saturday, October 12, with the traditional parade. The Juniors won the float competition with "Surfin' to a Victory". The football team played a hard-fought game at Garfield Stadium against Cincinnati Taft, but unfortunately lost 31-12. At half-time Patty Lamb was crowned queen. The attendants included Gina Arminio, Leni Baga, Jackie Chaney, and Susie Loeffler. The dance, held on Sunday, October 13, took place in the Badin gym, decorated to carry out the theme, "We Are The Champions". RSVP rocked the students from 8 until 12. Homecoming '85 was a highlighted sign of our times.

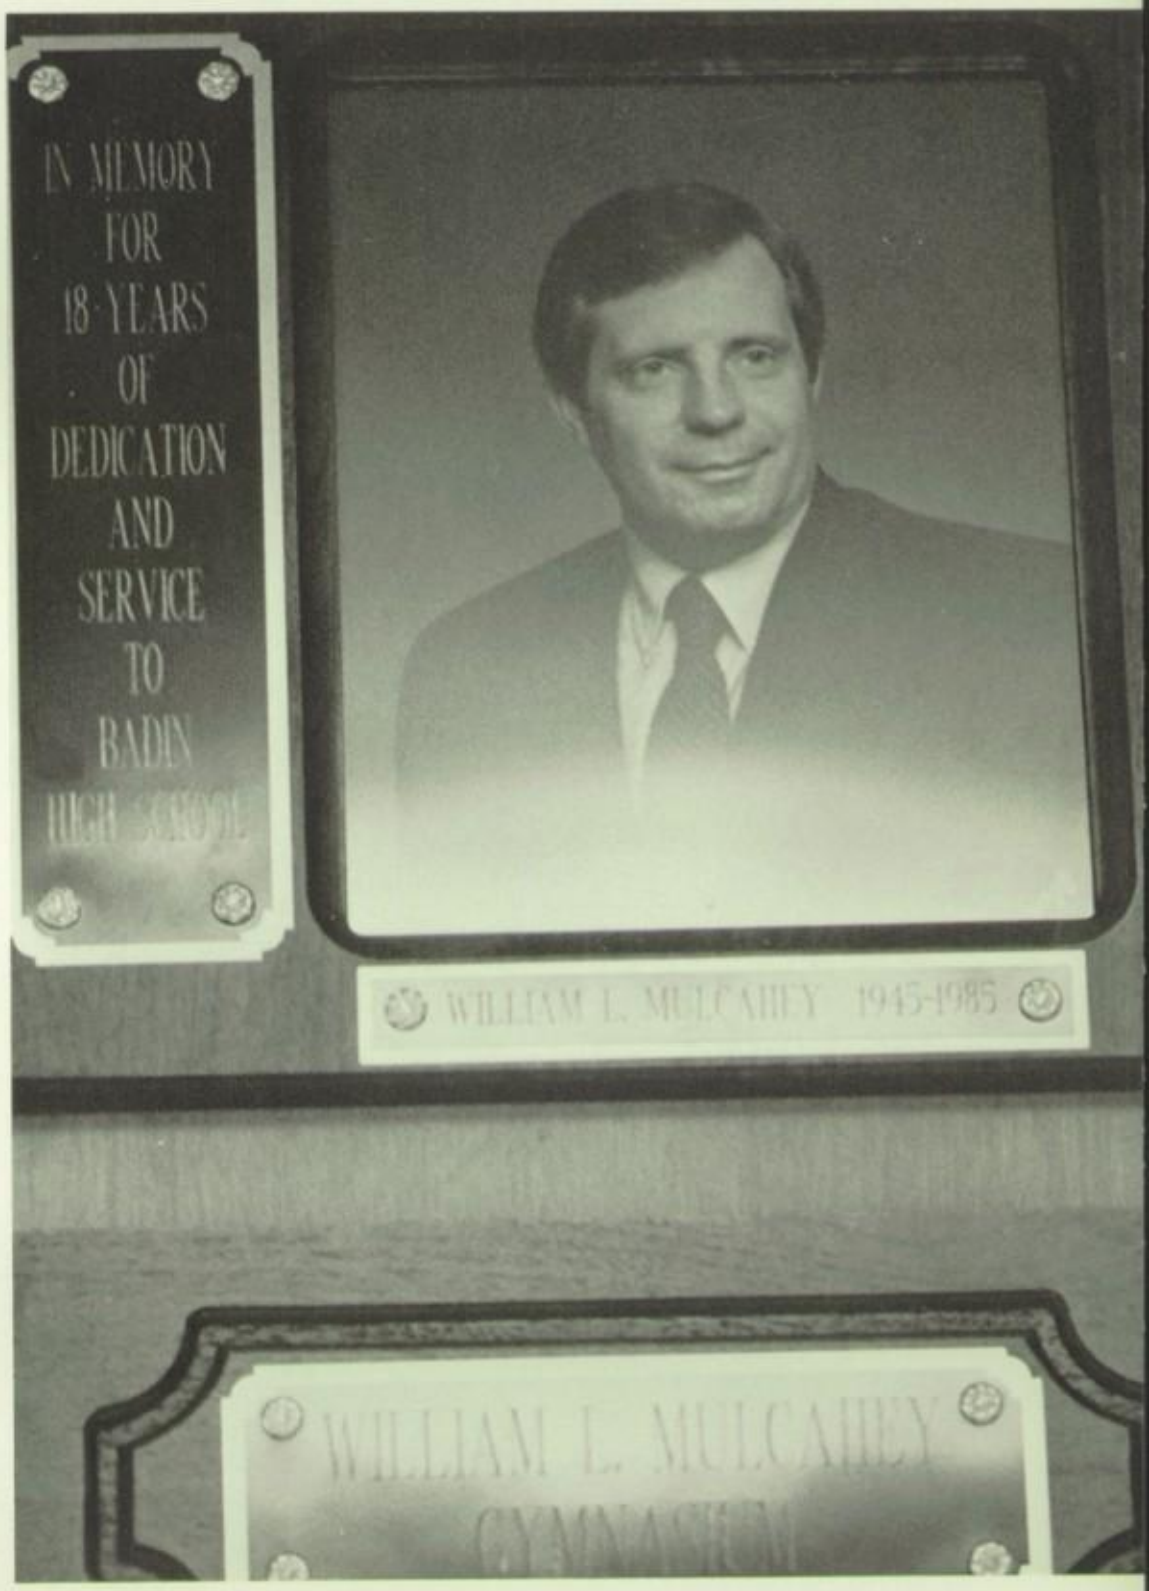
In Memory Of . . .



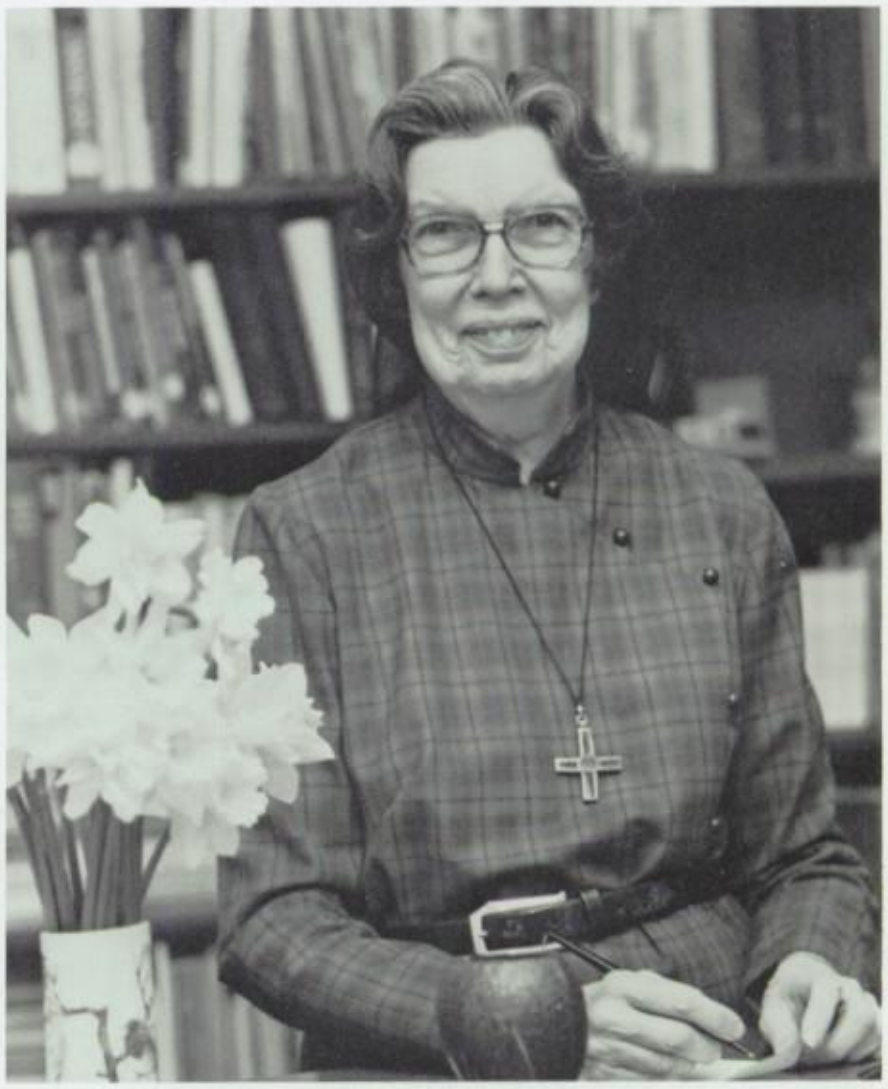
Mr. William Mulcahey dedicated 17 years of his life to Badin High School as a teacher, a coach, and an administrator.

Students remember "Mulc" for all he gave them in senior religion — the lessons of life. In his classroom, love, marriage, and death were discussed in a practical sense and in a spiritual sense.

Football players and coaches recall Coach Mulcahey's love of the game, his expertise and his patience in coaching the game. They remember his competitive spirit — how he hated to lose!

Faculty and students knew Bill Mulcahey, the administrator, as a man who wanted the best for the students and for Badin.

A permanent reminder of all Bill Mulcahey means to the Badin family was designated this spring when the gymnasium was named the William L. Mulcahey Gymnasium.



Sister Helen Burke was born in Cincinnati in 1907. In 1934 she was professed a Sister of Notre Dame de Namur.

Sr. Helen had a great love for the Christian education of youth which she pursued for 50 yrs. She taught for many years and later gave up classroom teaching to become a certified librarian in 1970.

Here at Badin she dedicated all her time and efforts to broaden the knowledge of the Badin students.

Sr. Helen is remembered by both students and faculty alike for her great interest and concern for others and for her willingness to assist any of those in need of her vast knowledge and experience.

Anyone who came to the library in search of information or counseling could be sure that "Sr. Library," as she was known by many of the students, would be there to help them by giving her full attention to their needs.

When her health began to fail her a few years ago, Sr. Helen still put her vast amount of talent and energy into what was one of the "loves" of her life — the students and the library.

Sr. Helen will be missed by all of us at Badin who had come to know, admire, and appreciate her.

20 YEARS . . .

Twenty years of Spirit, Pride, Tradition and Unity have filled these halls, classrooms, lockerrooms, athletic fields, gymnasiums, and bleachers. Many people have put time and energy into the formation of Stephen T. Badin High School. On the anniversary of the 20th graduation we dedicate the 1986 yearbook to all those who were a part of this.

Friends and teachers have come and gone. We've seen victories and losses; we've shared joy and pain. We have learned together; we have grown together. Through 20 years one thing has remained constant at Badin — Spirit, Pride, Tradition, and Unity.
